

# Community Tree Discounts

Group/Project: \_\_\_\_\_

In an effort to better serve our community, Trees for Tucson offers further discounts on our already low-cost shade trees for community tree plantings that fall into special categories, listed below. Please include this form with your Community Tree Application, if this has not already been submitted.

1.	<p>Of your requested trees, how many will be shading a building (i.e., trees would be planted within 15 feet from the west or east side of a building)?</p> <p>(TEP funding is available to fund tree plantings that will shade buildings and ultimately reduce electricity use. We will need the TEP account number of said building to qualify for this discount)</p>		
a.	Number of 5 gallon trees that will shade a building:	less \$7 per tree	Discount amount:
b.	Number of 15 gallon trees that will shade a building:	less \$20 per tree	Discount amount:
c.	REQUIRED: TEP 10-digit Account # for said building:	(write in next box) →	

2.	<p>For non-shade trees, if your group is in one of the following categories you may be eligible to receive a discount:</p>		
<input type="checkbox"/>	<ul style="list-style-type: none"> <li>• School</li> <li>• Youth Program</li> <li>• 501 (c) 3 Nonprofit Org.</li> <li>• City Registered Neighborhood Association</li> <li>• Public Space Project</li> </ul>	less \$3 per tree	Discount amount:

3.	<p>If your organization's programs serve primarily low-income and/or at-risk populations and you cannot afford the further-discounted rates above, please submit a letter with information describing your organization's mission and programs, and tree-planting need. List any entity who might be supporting your tree planting (financially or in-kind), and propose the additional donation amount that would enable your group to pay for its tree request. We will review your request and contact you for further arrangements.</p>
